## INTRO

G // // G/B C // / G/B D/F# Em // // G D/F# // //

## V1

G/B                    C   Dsus                    D  
All those with breath sing of our Savior  
G/B                    C   Dsus                    D  
All those who hope long for His Truth

## PRE-CHORUS

Am7            C/G                    D/F#   D  
Tell all the world what He's done  
Am7            C/G            D  
He is the Christ Jesus

## CHORUS

G                    D/F#   Em                    G/B            C  
We have been redeemed, our sins washed clean  
(C)                    G   D  
His blood is freedom  
G                    D/F#   Em                    G/B   C  
And our hope is secured, grace will endure  
(C)                    G   D (TO INTRO)  
His love is freedom

## V2

And all those who need to unload their burdens  
Look to His cross because He suffered for all

## BRIDGE

Em                    G   C                    D  
The ransom paid for and death overwhelmed  
Em                    G            D  
He opened the door for us  
Em                    G   C                    D  
Our lives are paid for and the grave is no more  
Em                    G            D  
He opened the door for us
